## **DISCLAIMER**

Due to limitations in photography, internet display, and computer settings, stain colors and textures may not be accurately represented. By requesting a quotation or placing an order, you acknowledge and accept these limitations, including the inability to view physical samples directly. While the stain color represents a typical tone, slight variations may occur due to the natural differences in color, grain, and texture. Please note that some color variation is inevitable, and an exact match is not guaranteed.

Given the handcrafted nature of our products, all dimensions and weights provided are approximate. Variations in tailoring, padding, and fabric thickness may affect the final dimensions. We do not assume responsibility for precise width and height unless the items are specially ordered to fit a specific space.

Our products are designed for commercial use, and minor imperfections should be expected. These will not be considered defects. By accepting your order, you waive any claims related to dissatisfaction with the product's color, stain, texture, finish, or dimensions.

If you would like to receive wood or fabric samples prior to placing your order, please contact us. Please be aware that samples may differ slightly from the item you order.

The Seating Shoppe, Inc. (including its officers, directors, and employees) shall not be liable for any direct, indirect, incidental, special consequential, punitive, or exemplary damages, or any other types of damage, including but not limited to loss of profits, goodwill, or reputation, regardless of the legal theory under which such claims are made. This applies to all actions, including but not limited to contract, negligence, or other tort claims, arising from or in connection with a user's privacy, this Privacy Policy, or any breach thereof.
